MICHAEL ANDERSON

PRODUCTION MANAGER

Dynamic leather sandal maker with a robust background in manufacturing and supply chain management. Proven expertise in optimizing production workflows to enhance efficiency and reduce costs. Adept in both hand-crafted and machine-assisted techniques, ensuring a diverse range of product offerings that appeal to various market segments. Strong analytical skills enable thorough market research and trend analysis, informing design and production decisions.

PROFESSIONAL EXPERIENCE

EcoFootwear Solutions

Mar 2018 - Present

Production Manager

- Directed production operations for a line of eco-friendly sandals, enhancing market competitiveness.
- Analyzed production metrics to identify areas for improvement, resulting in a 15% cost reduction.
- Coordinated with design teams to implement new product features based on market demand.
- Managed supplier relationships to ensure timely delivery of high-quality materials.
- Implemented safety protocols that reduced workplace accidents by 30%.
- Trained staff on lean manufacturing principles, fostering a culture of continuous improvement.

Tradition Footwear Co.

Dec 2015 - Jan 2018

Leather Sandal Technician

- Operated advanced machinery for leather cutting and assembly, ensuring precision in production.
- Conducted quality inspections on finished products, maintaining high standards of craftsmanship.
- Maintained production schedules and logs to track output and efficiency.
- Collaborated with design and marketing teams to refine product features based on customer feedback.
- Assisted in inventory management, effectively reducing material wastage.
- Facilitated training sessions on new equipment and techniques for staff.

ACHIEVEMENTS

- Reduced production costs by 15% through process optimization initiatives.
- Successfully launched a new eco-friendly product line that increased market share.
- Recognized for implementing safety programs that improved workplace conditions.
