

Michael ANDERSON

SENIOR RESEARCH SCIENTIST

Results-oriented Life Sciences Research Scientist with a focus on pharmacology and drug development, bringing over 7 years of laboratory experience. My career has been dedicated to the discovery and optimization of small-molecule therapeutics. I have a proven track record of leading research projects from concept to clinical trials, collaborating with cross-functional teams to ensure successful outcomes.

SKILLS

- Pharmacology
- Drug Development
- High-Throughput Screening
- Project Management
- Team Leadership
- Regulatory Compliance

LANGUAGES

- English
- Spanish
- French

EDUCATION

**PH.D. IN PHARMACOLOGY,
UNIVERSITY OF NORTH CAROLINA AT
CHAPEL HILL**

ACHIEVEMENTS

- Developed a novel drug candidate that is currently in Phase II clinical trials.
- Awarded 'Innovator of the Year' by the pharmaceutical company in 2021.
- Secured \$750,000 in research funding for oncology projects.

WORK EXPERIENCE

SENIOR RESEARCH SCIENTIST

Pfizer

2020 - 2025

- Led drug discovery projects focused on oncology, resulting in 2 candidates entering clinical trials.
- Implemented high-throughput screening assays for compound evaluation.
- Collaborated with cross-disciplinary teams to optimize pharmacokinetic properties of lead compounds.
- Presented data at internal meetings, influencing project direction and strategy.
- Managed project timelines and deliverables, ensuring adherence to regulatory standards.
- Trained and mentored junior scientists, promoting professional growth.

RESEARCH SCIENTIST

Merck

2015 - 2020

- Conducted pharmacological studies to assess drug efficacy and safety.
- Developed and validated analytical methods for compound characterization.
- Collaborated with external partners for joint research initiatives.
- Contributed to regulatory submissions, ensuring compliance with FDA guidelines.
- Participated in project meetings to align research objectives with corporate strategy.
- Published research findings in industry-leading journals.
