Michael Anderson

E-LEARNING DEVELOPER

I am an innovative Lifelong Learning Instructor with a rich background in technology and e-learning, boasting over 7 years of experience in creating interactive and engaging online learning environments. My journey in education began with a passion for technology and its potential to enhance learning experiences. I have developed numerous e-learning courses that focus on enhancing digital literacy and professional skills for adult learners.

EXPERIENCE

E-LEARNING DEVELOPER

Digital Learning Solutions

2016 - Present

- Designed and developed over 30 online courses that improved learner engagement by 50%.
- Utilized LMS platforms to track and analyze learner progress and outcomes.
- Incorporated gamification elements into courses, resulting in a 40% increase in course completion rates.
- Facilitated training for staff on best practices in online instruction.
- Collaborated with subject matter experts to create relevant and impactful content.
- Conducted user testing to enhance course usability and learner satisfaction.

INSTRUCTIONAL DESIGNER

Tech Education Hub

2014 - 2016

- Developed innovative e-learning modules that catered to diverse learning styles.
- Created assessment tools that evaluated learner skills and knowledge effectively.
- Worked with stakeholders to ensure alignment of training content with organizational goals.
- Conducted workshops on digital literacy for over 200 adult learners.
- Monitored and reported on training outcomes to drive continuous improvement.
- Utilized feedback to refine course materials, achieving a 95% satisfaction rating.
