# MICHAEL ANDERSON

## LIGHTING DESIGNER

Possessing a robust foundation in theatrical production, a Lighting Artist with over five years of experience in live performance settings. Expertly skilled in creating atmospheric lighting that complements stage design and enhances audience engagement. Demonstrated proficiency in operating advanced lighting consoles and programming intricate light cues to synchronize with performances. Known for innovative approaches to lighting design that elevate the storytelling experience in theatrical productions.

## **PROFESSIONAL EXPERIENCE**

### **The Royal Shakespeare Company**

*Mar 2018 - Present*

Lighting Designer

- Designed and executed lighting plans for a variety of theatrical productions, enhancing narrative depth.
- Collaborated with directors to conceptualize lighting approaches that align with artistic vision.
- Operated and programmed advanced lighting equipment during live performances.
- Managed lighting budgets and resources efficiently to maximize production quality.
- Conducted technical rehearsals to ensure seamless integration of lighting with performance elements.
- Mentored interns and junior staff in lighting design techniques and equipment operation.

### **Broadway Productions**

*Dec 2015 - Jan 2018*

Assistant Lighting Technician

- Assisted in the setup and operation of lighting equipment for various stage productions.
- Supported lead designers in executing lighting designs during rehearsals and performances.
- Maintained and repaired lighting equipment to ensure optimal performance.
- Participated in pre-production meetings to discuss lighting requirements and concepts.
- Helped create lighting plots and documentation for production use.
- Engaged in continuous learning about new lighting technologies and techniques.

## **ACHIEVEMENTS**

- Received an award for Best Lighting Design at the National Theatre Awards.
- Contributed to a production that won the Olivier Award for Best New Play.
- Recognized for innovative lighting solutions that enhanced audience experience in live performances.
