WORK EXPERIENCE

LINE PRODUCER

Global Film Partners

2020 - 2025

- Managed production for two high-budget feature films with budgets exceeding \$10 million each.
- Negotiated contracts with international talent and crew, maintaining project profitability.
- Coordinated filming across five countries, ensuring compliance with local laws and regulations.
- Oversaw logistics for large-scale shoots, managing travel and accommodation for cast and crew.
- Implemented risk management strategies that mitigated potential production delays.
- Collaborated with marketing teams to develop promotional strategies aligned with film releases.

SENIOR PRODUCTION ASSISTANT

Cinematic Ventures

2015 - 2020

- Assisted in all facets of production for major motion pictures, gaining comprehensive industry exposure.
- Coordinated communication between departments, enhancing project flow and efficiency.
- Supported the line producer in budget tracking and resource allocation.
- Conducted research for location scouting and casting decisions, contributing to project success.
- Participated in post-production reviews to provide feedback on project outcomes.
- Maintained detailed records of production schedules and expenses for reporting purposes.
