### SKILLS

- electronics assembly
- quality control
- teamwork
- analytical skills
- testing protocols
- process improvement

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

HIGH SCHOOL DIPLOMA, INNOVATION  
HIGH SCHOOL

### ACHIEVEMENTS

- Reduced assembly defects by 30% through rigorous quality checks.
- Awarded Employee Recognition for outstanding performance in quality assurance.
- Contributed to a 20% increase in production efficiency through process enhancements.

### WORK EXPERIENCE

#### ELECTRONICS ASSEMBLY TECHNICIAN

Tech Innovations Inc.

2020 - 2025

- Assembled electronic components with a focus on precision and quality assurance.
- Conducted testing and troubleshooting of assembled products to ensure functionality.
- Monitored production processes, identifying areas for improvement and efficiency gains.
- Maintained accurate inventory records of components and finished products.
- Collaborated with engineering teams to refine assembly techniques and enhance product design.
- Participated in continuous improvement initiatives, leading to enhanced operational performance.

#### QUALITY CONTROL ASSOCIATE

ElectroDynamics Corp.

2015 - 2020

- Executed quality control inspections on electronic assemblies to ensure compliance with specifications.
- Documented inspection results and reported discrepancies to management.
- Collaborated with production teams to implement corrective actions for quality issues.
- Maintained a clean and organized work environment to promote safety and efficiency.
- Participated in training sessions to stay updated on quality standards and testing methods.
- Contributed to a culture of quality awareness among team members.
