Michael Anderson

LOGISTICS COORDINATOR

Proficient Logistics Engineer with 7 years of experience in the food and beverage industry, specializing in supply chain efficiency and food safety compliance. My career has focused on developing logistics strategies that ensure the timely delivery of products while adhering to industry regulations. I have a strong background in inventory management, transportation planning, and vendor negotiations.

EXPERIENCE

LOGISTICS COORDINATOR

FreshGoods Ltd.

2016 - Present

- Coordinated logistics for perishable goods, ensuring compliance with safety regulations.
- Managed relationships with suppliers to optimize delivery schedules.
- Implemented inventory control processes that reduced spoilage by 20%.
- Trained staff on best practices for logistics and food safety.
- Analyzed transportation data to improve delivery efficiency.
- Developed contingency plans to address potential supply chain disruptions.

SUPPLY CHAIN ANALYST

Beverage Solutions Co.

2014 - 2016

- Conducted data analysis to forecast demand and optimize inventory levels.
- Collaborated with production teams to ensure alignment with logistics operations.
- Developed logistics strategies that improved on-time delivery rates by 15%.
- Performed vendor performance evaluations to drive cost savings.
- Monitored compliance with food safety regulations throughout the supply chain.
- Created reports to support strategic decision-making for management.
