MICHAEL ANDERSON

INVENTORY CONTROL ANALYST

Strategic and analytical Logistics Planning Analyst with over six years of specialized experience in inventory control and supply chain efficiency.

Possesses a robust understanding of logistics software applications and data analysis techniques to optimize operations. Demonstrates strong leadership abilities and a commitment to fostering collaborative team environments.

Recognized for successfully managing complex logistics projects and delivering measurable results in cost savings and service improvements.

PROFESSIONAL EXPERIENCE

Efficient Supply Chain Co.

Mar 2018 - Present

Inventory Control Analyst

- Managed inventory levels across multiple warehouses to prevent stockouts and reduce excess.
- Utilized inventory management software to track stock movements and forecast needs.
- Analyzed inventory data to identify trends and inform purchasing decisions.
- Collaborated with operations team to enhance logistics workflows and improve turnaround times.
- Developed inventory reporting tools to provide visibility into stock levels and performance.
- Implemented cycle counting procedures to maintain inventory accuracy.

Dynamic Logistics Solutions

Dec 2015 - Jan 2018

Logistics Project Coordinator

- Coordinated logistics projects from inception to completion, ensuring alignment with client objectives.
- Conducted risk assessments to identify potential obstacles in logistics planning.
- Engaged with suppliers and carriers to negotiate service agreements that optimize costs.
- Prepared comprehensive project documentation to support logistics initiatives.
- Analyzed project outcomes to derive lessons learned and improve future logistics strategies.
- Facilitated stakeholder meetings to discuss project updates and gather feedback.

ACHIEVEMENTS

- Reduced inventory holding costs by 18% through improved forecasting techniques.
- Successfully completed logistics projects under budget and ahead of schedule.
- Developed a logistics dashboard that improved visibility and decision-making.
