LANGUAGES

- English
- Spanish
- French

Experienced logo designer with a solid foundation in user experience (UX) design and brand development. This designer emphasizes the importance of creating logos that not only look appealing but also enhance user interaction and brand engagement. With a strong background in digital design, this professional is skilled in employing design thinking methodologies to create logos that serve functional purposes while maintaining aesthetic integrity.

💼 WORK EXPERIENCE

Logo Designer   2020-2023

User-Centric Branding

- Designed logos with a focus on user experience and brand alignment.
- Collaborated with UX teams to ensure design effectiveness in digital platforms.
- Conducted user testing to gather feedback and refine designs.
- Utilized design software to create responsive logo designs.
- Maintained project timelines and deliverables to ensure efficiency.
- Engaged in continuous learning to stay abreast of design trends.

Junior UX Designer   2019-2020

Digital Design Agency

- Assisted in the creation of logos with an emphasis on user interaction.
- Supported senior designers in user research and testing.
- Documented design processes to ensure clarity and communication.
- Contributed to team discussions on improving design workflows.
- Maintained high-quality standards in all deliverables.
- Participated in client meetings to understand design requirements.

★ ACHIEVEMENTS

- Increased user engagement metrics by 30% through effective logo designs.
- Recognized for outstanding performance in a design internship program.
- Successfully completed a redesign project that enhanced client brand visibility.
