MICHAEL ANDERSON

LOOK DEVELOPMENT SUPERVISOR

Innovative Look Development Artist with extensive experience in feature animation and visual storytelling. Over seven years dedicated to crafting visually compelling narratives through meticulous look development processes. Demonstrated expertise in blending traditional and digital techniques to achieve unique artistic styles. Proven ability to work collaboratively with directors and production teams to interpret and realize complex visual concepts.

PROFESSIONAL EXPERIENCE

Animation House

Mar 2018 - Present

Look Development Supervisor

- Oversaw the look development department for multiple animated feature films.
- Collaborated with directors to establish visual themes and styles.
- Directed the creation of shaders and materials for complex characters.
- Implemented innovative lighting techniques that enhanced storytelling.
- Reviewed and approved final renders to ensure quality standards.
- Organized training sessions to develop team skills and knowledge.

DreamWorks Animation

Dec 2015 - Jan 2018

Look Development Artist

- Created visually rich environments and characters for animated films.
- Utilized RenderMan for achieving high-quality render outputs.
- Worked closely with rigging teams to ensure proper shading and texturing.
- Participated in brainstorming sessions to develop visual ideas.
- Executed final look development for key scenes, enhancing narrative impact.
- Maintained documentation of look development processes for future reference.

ACHIEVEMENTS

- Led a team that received an Academy Award nomination for Best Animated Feature.
- Improved rendering quality, leading to a 40% reduction in post-production time.
- Recognized for exceptional leadership and team development initiatives.
