SKILLS

- Automotive maintenance
- Lean manufacturing
- Troubleshooting
- Team supervision
- Safety compliance
- Continuous improvement

LANGUAGES

- English
- Spanish
- French

EDUCATION

**BACHELOR OF SCIENCE IN
AUTOMOTIVE ENGINEERING,
UNIVERSITY OF MOTORS, 2015**

ACHIEVEMENTS

- Achieved a 25% reduction in equipment downtime through effective maintenance strategies.
- Recognized for outstanding leadership and team performance during the last production cycle.
- Implemented a new training program that significantly improved staff knowledge and safety compliance.

WORK EXPERIENCE

MAINTENANCE SUPERVISOR

AutoTech Industries

2020 - 2025

- Supervised maintenance operations for assembly line machinery, ensuring peak operational performance.
- Implemented lean manufacturing principles that reduced maintenance costs by 15%.
- Coordinated with production teams to schedule maintenance without impacting production schedules.
- Trained and mentored junior staff on maintenance best practices and safety protocols.
- Managed the maintenance budget, tracking expenditures to ensure cost-effectiveness.
- Developed and maintained maintenance documentation for compliance and training purposes.

MAINTENANCE ENGINEER

Car Manufacturing Corp.

2015 - 2020

- Performed preventative and corrective maintenance on robotic welding systems, increasing efficiency by 20%.
- Conducted root cause analysis on machinery failures, implementing solutions that improved reliability.
- Collaborated with engineering teams to optimize equipment layouts for enhanced workflow.
- Maintained accurate records of equipment performance and maintenance activities.
- Assisted in the installation of new equipment, ensuring compliance with safety regulations.
- Engaged in ongoing training to stay updated on the latest automotive technologies.
