# MICHAEL ANDERSON

## HEALTHCARE MAINTENANCE PLANNER

Proactive Maintenance Planner with a strong background in the healthcare sector, specializing in maintaining critical systems and infrastructure within hospital environments. Expertise in collaborating with clinical staff to ensure that all facilities remain operational and compliant with health regulations. Demonstrated ability to implement effective maintenance programs that enhance patient safety and operational efficiency.

## **PROFESSIONAL EXPERIENCE**

### **City Medical Center**

*Mar 2018 - Present*

Healthcare Maintenance Planner

- Developed and maintained preventive maintenance schedules for critical medical equipment.
- Collaborated with department heads to coordinate maintenance activities without disrupting patient care.
- Conducted inspections and audits to ensure compliance with healthcare regulations.
- Managed maintenance staff and outsourced vendors for facility upkeep.
- Utilized facility management software to track maintenance requests and performance metrics.
- Implemented training programs on equipment safety and maintenance best practices.

### **General Hospital**

*Dec 2015 - Jan 2018*

Maintenance Coordinator

- Assisted in the planning and execution of maintenance projects for hospital facilities.
- Maintained inventory of maintenance supplies and equipment.
- Coordinated with contractors for repairs and renovations.
- Documented maintenance activities and prepared reports for management.
- Participated in safety drills and compliance training.
- Monitored contractor performance to ensure quality of work.

## **ACHIEVEMENTS**

- Improved equipment uptime by 30% through effective maintenance planning.
- Awarded for excellence in patient safety initiatives.
- Successfully reduced maintenance response times by 20% during peak operational periods.
