### EDUCATION

#### Bachelor of Science in Manufacturing Engineering

Purdue University  
2011

### SKILLS

- Process Engineering
- Quality Assurance
- Project Management
- CAD
- Data Analysis
- Team Leadership

### LANGUAGES

- English
- Spanish
- French

### WORK EXPERIENCE

#### Process Engineer

2020-2023

MetalWorks Inc.

- Designed and optimized metal fabrication processes, improving production efficiency by 30%.
- Implemented quality assurance measures that reduced defects by 22%.
- Collaborated with cross-functional teams to ensure compliance with industry standards.
- Utilized CAD software for process design and simulation.
- Trained staff on safety protocols and best practices in metalworking.
- Monitored production KPIs and provided insights for management decision-making.

#### Manufacturing Project Manager

2019-2020

Steel Dynamics Corp.

- Led projects to enhance production capabilities, achieving a 25% reduction in lead times.
- Coordinated with suppliers to ensure timely delivery of high-quality raw materials.
- Managed project budgets and timelines, ensuring adherence to financial goals.
- Facilitated team workshops to promote collaborative problem-solving.
- Developed and tracked project metrics to measure success and areas for improvement.
- Engaged in risk management practices to mitigate project challenges.

### ACHIEVEMENTS

- Recognized for leading a project that increased production capacity by 40%.
- Implemented a quality improvement initiative that resulted in a 50% reduction in customer complaints.
- Received the Project Excellence Award for outstanding project outcomes.
