Michael Anderson

PORT OPERATIONS MANAGER

Results-oriented Maritime Officer specializing in port operations and management. Expertise in optimizing port processes to enhance throughput and efficiency while ensuring compliance with safety and environmental regulations. Proven ability to manage complex logistical operations and coordinate with multiple stakeholders, including shipping lines, customs, and regulatory agencies. Strong leadership skills foster team collaboration and drive operational excellence.

EXPERIENCE

PORT OPERATIONS MANAGER

Harbor Logistics Inc.

2016 - Present

- Managed port operations for a major shipping terminal, achieving a 35% increase in throughput.
- Implemented process improvements that reduced turnaround times by 20%.
- Coordinated with customs and regulatory agencies to ensure compliance.
- Led a team of 50 personnel in daily port activities, enhancing team performance.
- Developed and maintained relationships with shipping lines to optimize scheduling.
- Utilized port management software to enhance operational visibility and efficiency.

LOGISTICS MANAGER

Coastal Port Authority

2014 - 2016

- Oversaw logistics operations within the port, ensuring timely cargo movement.
- Managed inventory and warehousing, optimizing storage solutions.
- Coordinated with external vendors for equipment and service procurement.
- Analyzed logistics performance metrics to drive improvements.
- Developed training programs for staff on port operations and safety protocols.
- Engaged in stakeholder meetings to align logistics strategies with organizational goals.
