WORK EXPERIENCE

Technology Implementation Manager

2020-2023

Maritime Tech Innovations

- Led the implementation of a digital tracking system, resulting in a 20% increase in operational efficiency.
- Managed technology projects from conception through execution, ensuring alignment with business objectives.
- Collaborated with IT and operations teams to integrate new technologies into existing systems.
- Conducted training sessions for staff on new technologies and systems.
- Analyzed technology performance metrics to identify areas for improvement.
- Engaged with vendors to assess new technological solutions for maritime operations.

Project Coordinator

2019-2020

Nautical Solutions Group

- Coordinated technology projects aimed at enhancing maritime operational capabilities.
- Worked with cross-functional teams to develop project plans and timelines.
- Facilitated communication between technical and non-technical stakeholders.
- Monitored project progress and reported on milestones to senior management.
- Identified risks and developed mitigation strategies throughout project lifecycles.
- Assisted in the evaluation of new technologies for potential implementation.

ACHIEVEMENTS

- Successfully led a project that implemented a new technology platform, enhancing service delivery by 30%.
- Recognized as 'Innovator of the Year' in the Maritime Technology Awards 2021.
- Developed a technology training program that improved staff competencies in digital tools.
