EXPERTISE SKILLS

- Medical device assembly
- Regulatory compliance
- Quality control
- Inspection techniques
- Document management
- Process improvement

LANGUAGES

- English
- Spanish
- French

CERTIFICATION

- Bachelor of Science in Biomedical Engineering, University of Health Sciences

MICHAEL ANDERSON

MECHANICAL ASSEMBLER

Dedicated Mechanical Assembler with comprehensive experience in the medical device industry, specializing in the assembly of precision instruments under rigorous regulatory standards. Demonstrates an unwavering commitment to quality and safety, with a proven ability to execute complex assembly tasks with accuracy and efficiency. Proficient in utilizing specialized tools and equipment to ensure the highest levels of product integrity.

PROFESSIONAL EXPERIENCE

MedTech Innovations

Mar 2018 - Present

Mechanical Assembler

- Assembled medical devices with precision, ensuring compliance with ISO 13485 standards.
- Conducted thorough inspections and testing of assembled products.
- Utilized specialized assembly tools and equipment to enhance productivity.
- Collaborated with quality assurance teams to maintain high standards of product safety.
- Documented assembly processes and maintained accurate records of compliance.
- Participated in training programs focused on regulatory compliance and quality control.

HealthGear Manufacturing

Dec 2015 - Jan 2018

Junior Mechanical Assembler

- Supported assembly of surgical instruments, adhering to strict quality guidelines.
- Assisted in the calibration and testing of assembled devices.
- Maintained a clean and safe working environment in compliance with health regulations.
- Documented production outputs and reported discrepancies to supervisors.
- Participated in team meetings to discuss assembly goals and improvements.
- Contributed to a project that achieved a 15% reduction in production costs.

ACHIEVEMENTS

- Recognized for excellence in quality assurance during annual audits.
- Achieved a 20% increase in assembly efficiency through process enhancements.
- Contributed to the successful certification of new medical products.
