### EDUCATION

#### Certificate in Mechanical Fitting

Technical College  
2014

### SKILLS

- Industrial machinery
- Preventive maintenance
- Troubleshooting
- Safety compliance
- Team collaboration
- Documentation

### LANGUAGES

- English
- Spanish
- French

### WORK EXPERIENCE

#### Industrial Mechanical Fitter 2020-2023

Manufacturing Solutions Inc.

- Executed repairs and maintenance on a wide range of industrial machinery.
- Implemented preventive maintenance schedules to ensure optimal equipment performance.
- Collaborated with engineering teams to develop solutions for mechanical issues.
- Conducted safety audits to maintain compliance with industry regulations.
- Utilized diagnostic tools to assess machinery performance and identify issues.
- Maintained detailed records of maintenance activities and repairs.

#### Mechanical Fitter 2019-2020

Precision Manufacturing Co.

- Supported the assembly and installation of complex machinery in production lines.
- Assisted in troubleshooting mechanical failures to minimize downtime.
- Participated in continuous improvement initiatives to enhance operational efficiency.
- Maintained compliance with safety and quality standards in all operations.
- Documented fitting processes and machinery modifications for future reference.
- Trained new hires on machinery operation and safety protocols.

### ACHIEVEMENTS

- Achieved a 15% reduction in machinery downtime through effective maintenance strategies.
- Recognized for outstanding contributions to safety and quality assurance.
- Implemented a new preventive maintenance program that extended equipment lifespan by 25%.
