SKILLS

- Aircraft maintenance
- Troubleshooting
- Regulatory compliance
- Safety inspections
- Documentation
- Team collaboration

LANGUAGES

- English
- Spanish
- French

EDUCATION

BACHELOR OF SCIENCE IN AEROSPACE ENGINEERING, AEROSPACE UNIVERSITY, 2017

ACHIEVEMENTS

- Contributed to a project that improved aircraft turnaround time by 20%.
- Received commendation for exceptional performance during inspections.
- Successfully completed a certification in aircraft maintenance safety.

WORK EXPERIENCE

AIRCRAFT MAINTENANCE ENGINEER

SkyHigh Aviation

2020 - 2025

- Performed scheduled and unscheduled maintenance on a variety of aircraft systems.
- Conducted thorough inspections and diagnostics to ensure aircraft safety and performance.
- Collaborated with engineers to troubleshoot complex mechanical issues.
- Documented maintenance activities in compliance with FAA regulations.
- Participated in training programs to stay updated on new technologies and regulations.
- Implemented a new tracking system for maintenance schedules that improved efficiency by 15%.

JUNIOR MECHANICAL ENGINEER

AeroTech Solutions

2015 - 2020

- Assisted senior engineers in the maintenance and repair of aircraft components.
- Performed quality checks and inspections on mechanical systems.
- Maintained detailed records of maintenance and compliance activities.
- Supported the development of maintenance manuals and procedures.
- Engaged in continuous learning to enhance technical knowledge.
- Participated in safety drills and compliance audits.
