

Michael

ANDERSON

LEAD WELDER

Dedicated Mechanical Trades Worker with a robust background in welding and fabrication, possessing over 9 years of experience in the metalworking industry. Expertise in various welding techniques, including MIG, TIG, and stick welding, with a proven ability to fabricate components that meet stringent specifications. Renowned for exceptional attention to detail and a commitment to safety, consistently adhering to industry regulations and best practices.

SKILLS

- welding techniques
- fabrication
- safety compliance
- technical drawing interpretation
- teamwork
- quality control

LANGUAGES

- English
- Spanish
- French

EDUCATION

**DIPLOMA IN WELDING TECHNOLOGY,
VOCATIONAL SCHOOL, 2012**

ACHIEVEMENTS

- Improved welding quality, resulting in a 15% reduction in rework costs.
- Recognized for exemplary safety performance during annual audits.
- Successfully completed over 500 fabrication projects on time.

WORK EXPERIENCE

LEAD WELDER

Steel Works Inc.

2020 - 2025

- Supervised welding operations, ensuring adherence to safety protocols.
- Fabricated metal components based on engineering specifications.
- Conducted quality inspections to maintain high standards of workmanship.
- Trained new welders on techniques and safety measures.
- Collaborated with fabrication teams to optimize workflows.
- Assisted in the development of new welding procedures.

WELDING TECHNICIAN

Metal Fabricators Co.

2015 - 2020

- Performed welding on a variety of metal types and thicknesses.
- Interpreted technical drawings to execute fabrication tasks accurately.
- Maintained equipment and tools in optimal working condition.
- Participated in safety training and compliance initiatives.
- Assisted in the assembly of metal structures and components.
- Documented all work performed and materials used.
