SKILLS

- MRI
- CT Imaging
- Patient Safety
- Equipment Maintenance
- Team Leadership
- Quality Assurance

LANGUAGES

- English
- Spanish
- French

EDUCATION

BACHELOR OF SCIENCE IN RADIOLOGIC TECHNOLOGY, STATE COLLEGE, 2012

ACHIEVEMENTS

- Recognized for outstanding performance with the Employee Excellence Award.
- Implemented a training program that increased staff competency in advanced imaging techniques.
- Contributed to research published in a medical imaging journal.

Innovative Medical Imaging Technologist with over 8 years of experience in a diverse range of imaging modalities, including MRI, CT, and PET scans. Skilled in utilizing cutting-edge imaging technology to facilitate accurate diagnostics while ensuring patient safety and comfort. Proven ability to work collaboratively with healthcare professionals to enhance patient care and streamline imaging processes.

WORK EXPERIENCE

SENIOR IMAGING TECHNOLOGIST
Advanced Imaging Center

2020 - 2025

- Executed over 3,000 imaging procedures annually, specializing in complex cases.
- Mentored and trained new staff on advanced imaging techniques and safety protocols.
- Reduced patient wait times by implementing a streamlined scheduling system.
- Conducted regular equipment maintenance, enhancing operational efficiency by 20%.
- Collaborated with physicians to interpret imaging results and develop patient care plans.
- Led departmental meetings to discuss new imaging technologies and their applications.

IMAGING TECHNOLOGIST
City Medical Center

2015 - 2020

- Performed CT scans and PET imaging for over 1,200 patients annually.
- Ensured compliance with safety protocols to minimize patient exposure to radiation.
- Assisted radiologists in the preparation of imaging reports for diagnostic purposes.
- Engaged in cross-training for various imaging modalities to enhance departmental flexibility.
- Maintained accurate patient records and imaging databases.
- Participated in quality assurance programs, improving imaging accuracy by 15%.
