Michael Anderson

RADIOLOGIC TECHNOLOGIST

Detail-oriented Medical Imaging Technologist with 6 years of experience in a busy urban hospital setting. Focused on providing high-quality imaging services while ensuring patient safety and comfort. Strong communicator, skilled in explaining procedures to patients and their families, which enhances their understanding and reduces anxiety. Proficient in operating various imaging equipment, including X-ray, CT, and MRI machines.

EXPERIENCE

RADIOLOGIC TECHNOLOGIST

Urban General Hospital

2016 - Present

- Conducted over 1,800 imaging procedures per year, including X-rays and MRIs.
- Educated patients about the imaging process, enhancing their comfort levels.
- Maintained imaging equipment, achieving a 98% operational uptime.
- Collaborated with healthcare teams to develop patient care strategies.
- Participated in departmental audits, ensuring compliance with safety standards.
- Trained new hires on imaging protocols and equipment operation.

IMAGING TECHNICIAN INTERN

City Medical Center

2014 - 2016

- Assisted in performing basic imaging procedures under supervision.
- Learned to operate imaging equipment and follow safety protocols.
- Participated in patient preparation and education before imaging.
- Maintained cleanliness and organization in the imaging area.
- Supported staff in managing patient records and scheduling.
- Received positive feedback from patients for courteous service.
