WORK EXPERIENCE

Pediatric Laboratory Scientist

2020-2023

Children's Health Hospital

- Performed pediatric blood draws and laboratory tests with a focus on minimizing discomfort.
- Collaborated with pediatricians to provide accurate and timely diagnostic information.
- Maintained a welcoming environment for children and their families during laboratory visits.
- Trained junior staff on pediatric testing protocols and child-friendly techniques.
- Implemented quality control measures to ensure the accuracy of test results.
- Participated in community health fairs to educate families about pediatric laboratory services.

Laboratory Technician

2019-2020

General Health Clinic

- Assisted in conducting routine laboratory tests and maintaining equipment.
- Documented and reported test results accurately under supervision.
- Supported quality assurance initiatives to improve laboratory standards.
- Engaged in training sessions to learn advanced laboratory techniques.
- Contributed to safety audits and compliance checks within the laboratory.
- Participated in team meetings to discuss laboratory performance and improvements.

ACHIEVEMENTS

- Developed a pediatric training program that improved lab efficiency by 15%.
- Recognized for exceptional patient care with a 'Compassionate Care' award.
- Participated in a community health initiative that increased screening rates among children.
