

MICHAEL ANDERSON

Health Economist

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

Strategic Medical Research Consultant with a robust background in health economics and outcomes research. With over 11 years of experience, I specialize in conducting cost-effectiveness analyses and health technology assessments to inform healthcare decision-making. My expertise lies in utilizing statistical methods to evaluate the economic impact of healthcare interventions. I have a strong track record of collaborating with healthcare providers and policymakers to enhance resource allocation and improve patient outcomes.

WORK EXPERIENCE

Health Economist | Economic Health Solutions

Jan 2022 – Present

- Conducted cost-effectiveness analyses for new healthcare interventions.
- Collaborated with clinical teams to assess the economic impact of treatments.
