MICHAEL ANDERSON

PEDIATRIC ETHICS ADVISOR

As a Medical Research Ethics Specialist with a focus on pediatric research, my career spans over 12 years dedicated to ensuring that the rights of young participants are upheld in clinical trials. My journey began in a clinical setting, where I witnessed the complexities involved in obtaining consent from minors and their guardians.

PROFESSIONAL EXPERIENCE

Children's Health Research Center

Mar 2018 - Present

Pediatric Ethics Advisor

- Provided ethical consultation on over 150 pediatric research studies, focusing on consent processes.
- Developed guidelines for age-appropriate informed consent, increasing participant engagement.
- Conducted training sessions for researchers on ethical issues in pediatric studies, improving compliance.
- Collaborated with families to address ethical concerns, enhancing trust in the research process.
- Reviewed and approved research protocols, ensuring alignment with pediatric ethical standards.
- Participated in community outreach to educate parents about pediatric research ethics.

Pediatric Health Institute

Dec 2015 - Jan 2018
