SKILLS

- Quality Assurance
- GLP Compliance
- Audit Preparation
- Data Management
- Training
- Laboratory Practices

EDUCATION

BACHELOR OF SCIENCE IN BIOTECHNOLOGY, UNIVERSITY OF LIFE SCIENCES

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Improved compliance audit scores by 40% through enhanced training programs.
- Recognized for outstanding contributions to laboratory quality management.
- Developed a quality control checklist adopted company-wide.

Michael Anderson

QUALITY ASSURANCE OFFICER

Detail-oriented Medical Research Quality Specialist with 6 years of experience in biotechnology focused on quality assurance and compliance in preclinical research. My background includes extensive work in laboratory environments ensuring that all research activities align with GLP and other relevant standards. I excel in developing quality control processes that enhance the reliability of research results.

EXPERIENCE

QUALITY ASSURANCE OFFICER

Biotech Innovations LLC

2016 - Present

- Monitored compliance with GLP throughout preclinical studies.
- Conducted internal audits and inspections to ensure adherence to quality standards.
- Developed and implemented quality assurance protocols for laboratory processes.
- Provided training to staff on GLP and quality management systems.
- Collaborated with project teams to address quality-related issues.
- Assisted in preparing for regulatory inspections, achieving a successful outcome.

LABORATORY TECHNICIAN

Research Biologics Inc.

2014 - 2016

- Supported laboratory operations in compliance with GLP standards.
- Performed routine quality checks on laboratory equipment and procedures.
- Assisted in data collection and reporting for research studies.
- Maintained accurate documentation for all laboratory activities.
- Participated in training sessions for quality assurance practices.
- Collaborated with scientists to ensure high-quality research outputs.
