MICHAEL ANDERSON

PEDIATRIC MEDICAL SOCIAL WORKER

Results-driven Medical Social Worker with a focus on pediatric care and over 6 years of experience in hospital and outpatient settings. Expert in addressing the psychological and social challenges faced by children and families dealing with serious illnesses. Proficient in creating child-centered care plans that engage families in the healing process.

PROFESSIONAL EXPERIENCE

Children's Hospital

Mar 2018 - Present

Pediatric Medical Social Worker

- Provided direct social work services to children and families facing complex medical challenges.
- Facilitated interdisciplinary team meetings to coordinate holistic care approaches.
- Developed educational materials for families on coping with pediatric chronic illnesses.
- Implemented support groups for siblings of hospitalized children, enhancing family resilience.
- Utilized trauma-informed care practices to support children experiencing emotional distress.
- Monitored and documented interventions to ensure compliance with care plans.

Family Health Center

Dec 2015 - Jan 2018

Social Work Associate

- Assisted in case management for pediatric patients with chronic health issues.
- Conducted family meetings to discuss care plans and address concerns.
- Provided crisis intervention and support during medical emergencies.
- Coordinated community resources to assist families in need.
- Documented patient interactions and outcomes in compliance with regulations.
- Engaged in community outreach to promote health services available for children.

ACHIEVEMENTS

- Developed a family support program that improved satisfaction ratings by 35%.
- Received the 'Outstanding Service' award for contributions to pediatric care.
- Created a resource guide for families that reduced service navigation time by 50%.
