MICHAEL ANDERSON

SENIOR CASE WORKER

Driven Mental Health Case Worker with over 7 years of experience in both clinical and community settings. My expertise lies in managing complex cases that require a multidisciplinary approach, and I have successfully worked with clients suffering from severe mental health issues, including schizophrenia and bipolar disorder. I pride myself on my ability to build therapeutic relationships and foster trust with clients, ensuring they feel supported in their recovery journey.

PROFESSIONAL EXPERIENCE

Hope and Healing Mental Health Services

Mar 2018 - Present

Senior Case Worker

- Managed a caseload of over 50 clients with severe and persistent mental illnesses.
- Developed and implemented individualized treatment plans in collaboration with clients and their families.
- Conducted crisis assessments and interventions, ensuring safety and stabilization of clients.
- Provided training and supervision to junior staff on case management best practices.
- Organized community education workshops to promote mental health awareness and stigma reduction.
- Maintained compliance with regulatory standards and documentation requirements.

City Mental Health Services

Dec 2015 - Jan 2018

Mental Health Counselor

- Provided individual and group counseling services to clients in a community clinic setting.
- Utilized cognitive behavioral therapy techniques to help clients manage their symptoms.
- Conducted intake assessments and evaluations to determine appropriate treatment modalities.
- Collaborated with psychiatrists to coordinate medication management for clients.
- Facilitated crisis intervention sessions as needed, ensuring client safety.
- Developed outreach initiatives to engage underserved populations in mental health services.

ACHIEVEMENTS

- Led a project that reduced client hospital readmissions by 25% within one year.
- Received recognition for outstanding service from the local mental health board.
- Implemented a client feedback system that improved service delivery and satisfaction rates by 30%.
