WORK EXPERIENCE

SCHOOL-BASED MENTAL HEALTH CASE WORKER

Greenwood High School

2020 - 2025

- Provided individual counseling and case management for students facing mental health challenges.
- Developed and implemented school-wide mental health programs to promote awareness and prevention.
- Collaborated with teachers and parents to create support plans for at-risk students.
- Conducted training sessions for staff on recognizing and addressing mental health concerns.
- Monitored student progress and adjusted interventions as necessary.
- Facilitated workshops on coping strategies and stress management for students and families.

YOUTH OUTREACH COORDINATOR

City Community Center

2015 - 2020

- Developed outreach programs to engage youth in mental health initiatives and services.
- Organized community events focused on mental health education and resources for families.
- Provided support and advocacy for youth accessing mental health services.
- Collaborated with local agencies to create referral networks for mental health resources.
- Conducted assessments to identify mental health needs within the community.
- Created informative materials on youth mental health topics for distribution in schools and community centers.
