MICHAEL ANDERSON

SENIOR MENTAL HEALTH COUNSELOR

Compassionate Mental Health Counselor with over 8 years of experience working with clients across varied demographics, including veterans, the elderly, and individuals with disabilities. My extensive background in trauma-informed care allows me to address complex psychological issues with sensitivity and expertise. I have developed a deep understanding of the unique challenges faced by different populations, tailoring my therapeutic approach to meet their specific needs.

PROFESSIONAL EXPERIENCE

Veterans Affairs Hospital

Mar 2018 - Present

Senior Mental Health Counselor

- Provided individual therapy and group sessions for veterans coping with PTSD.
- Developed and implemented trauma-informed care strategies tailored to client needs.
- Coordinated with medical staff to ensure comprehensive treatment plans.
- Facilitated psychoeducational workshops on coping mechanisms and resilience.
- Conducted initial assessments and crisis interventions for incoming clients.
- Maintained detailed case notes and progress reports for accountability.

Elder Care Center

Dec 2015 - Jan 2018

Mental Health Counselor

- Worked collaboratively with a multidisciplinary team to provide holistic care to elderly clients.
- Implemented therapeutic activities that promote cognitive and emotional well-being.
- Conducted regular assessments to monitor mental health changes in residents.
- Engaged families in treatment discussions to foster a supportive environment.
- Trained staff on recognizing signs of mental health issues in elderly populations.
- Created individualized care plans based on client assessments and feedback.

ACHIEVEMENTS

- Awarded 'Excellence in Community Service' for outreach initiatives in 2022.
- Facilitated a support group that resulted in a 50% improvement in client reported well-being.
- Recognized for developing a comprehensive resource guide for veterans.
