# MICHAEL ANDERSON

## LEAD PROGRAM EVALUATOR

Analytical and detail-oriented Mental Health Program Evaluator with over 10 years of experience in the public health sector. I have a strong background in evaluating large-scale mental health initiatives, focusing on program implementation and outcomes. My work involves collaborating with multidisciplinary teams to assess program fidelity and effectiveness, ensuring that evidence-based practices are adhered to.

## **PROFESSIONAL EXPERIENCE**

### **Public Health Agency**

*Mar 2018 - Present*

Lead Program Evaluator

- Oversaw evaluation of statewide mental health programs impacting over 10,000 participants.
- Applied advanced statistical techniques to analyze program data.
- Collaborated with cross-functional teams to ensure program fidelity.
- Prepared comprehensive evaluation reports for state legislators.
- Mentored junior evaluators on methodologies and best practices.
- Facilitated stakeholder meetings to discuss evaluation findings and implications.

### **Nonprofit Mental Health Services**

*Dec 2015 - Jan 2018*

Program Evaluator

- Conducted evaluation studies on community mental health programs.
- Utilized mixed-methods approaches to gather both quantitative and qualitative data.
- Engaged with community members to assess program impact and satisfaction.
- Presented evaluation results to board members for strategic planning.
- Developed data collection tools and protocols for consistency.
- Contributed to the improvement of program policies based on evaluation insights.

## **ACHIEVEMENTS**

- Improved program outcomes by 40% through targeted recommendations from evaluation findings.
- Recognized with the 'Public Health Innovator' award for contributions to mental health research.
- Published multiple articles in peer-reviewed journals, enhancing the organization's reputation.
