MICHAEL ANDERSON

MENTAL HEALTH SUPPORT WORKER

Motivated Mental Health Support Worker with 5 years of experience in providing care in psychiatric hospitals. My expertise lies in crisis intervention, therapeutic modeling, and patient advocacy. With a strong foundation in mental health principles, I excel at creating individualized care plans that address the psychiatric and emotional needs of patients.

PROFESSIONAL EXPERIENCE

Harmony Psychiatric Hospital

Mar 2018 - Present

Mental Health Support Worker

- Provided supportive care to patients with severe mental health disorders, focusing on safety and comfort.
- Implemented individualized care plans in collaboration with psychiatrists and nursing staff.
- Conducted therapeutic activities to enhance patient engagement and reduce anxiety levels.
- Participated in crisis intervention, utilizing de-escalation techniques effectively.
- Maintained accurate and timely documentation of patient progress and incidents.
- Educated patients about their treatment options and encouraged active participation in their care.

Safe Harbor Mental Health Services

Dec 2015 - Jan 2018

Crisis Response Technician

- Responded to mental health crises in community settings, providing immediate support and intervention.
- Collaborated with emergency services to ensure safe transport and care for individuals in crisis.
- Conducted thorough assessments to determine immediate needs and appropriate interventions.
- Educated clients on coping strategies and community resources available for ongoing support.
- Documented all interactions and interventions in compliance with agency standards.
- Participated in community outreach initiatives to raise awareness about mental health resources.

ACHIEVEMENTS

- Improved patient satisfaction scores by 25% through enhanced care delivery and engagement strategies.
- Recognized for excellence in crisis management by hospital leadership.
- Developed a peer mentorship program that successfully supported new staff members.
