

MICHAEL ANDERSON

LEAD SCULPTOR

PROFILE

Acclaimed Metal Art Sculptor with a profound ability to blend traditional craftsmanship with modern design principles. Over 15 years of experience in creating thought-provoking sculptures that challenge perceptions and evoke emotional responses. Expertise in various metal mediums, including stainless steel and bronze, allows for a diverse portfolio that ranges from intricate small-scale pieces to monumental installations.

EXPERIENCE

LEAD SCULPTOR

Metallurgy Art Co.

2016 - Present

- Conceptualized and realized large outdoor sculptures for urban spaces, enhancing public environments.
- Explored innovative techniques, resulting in unique textural finishes that garnered critical acclaim.
- Supervised a team of artisans, ensuring consistent quality and artistic vision across projects.
- Engaged with local communities to create site-specific artworks that reflect cultural narratives.
- Facilitated educational programs, fostering appreciation for metal art among diverse audiences.
- Developed strategic partnerships with local businesses to support public art initiatives.

METAL ARTIST

Art & Metal Innovations

2014 - 2016

- Produced bespoke metal sculptures for private collectors, emphasizing personalization and storytelling.
- Participated in numerous art shows, achieving high sales and extensive media exposure.
- Utilized a variety of tools and techniques, including plasma cutting and forging, to create dynamic works.
- Maintained client relationships, ensuring satisfaction and repeat commissions through exceptional service.
- Documented artistic processes through photography, contributing to promotional materials and social media.
- Advocated for sustainable sourcing of materials, reflecting a commitment to environmental responsibility.
