#### SKILLS

- industrial design
- product development
- CAD modeling
- project management
- quality control
- client consultation

#### LANGUAGES

- English
- Spanish
- French

#### EDUCATION

**BACHELOR OF INDUSTRIAL DESIGN,  
ROCHESTER INSTITUTE OF  
TECHNOLOGY, 2011**

#### ACHIEVEMENTS

- Led a team that won the 'Best Product Design' award at the National Design Awards, 2021.
- Increased production efficiency by 25% through process improvements.
- Conducted workshops that enhanced client understanding of metal design.

#### WORK EXPERIENCE

##### INDUSTRIAL METAL DESIGNER

Innovative Metal Solutions

2020 - 2025

- Developed functional metal products for commercial and residential use.
- Utilized CAD software to design and prototype metal solutions.
- Collaborated with engineers to ensure manufacturability of designs.
- Conducted material selection and testing to optimize performance.
- Managed production schedules and quality assurance processes.
- Trained staff on best practices in metal fabrication techniques.

##### METAL DESIGN CONSULTANT

Creative Fabrication Group

2015 - 2020

- Provided expert consultation on metal design projects for various clients.
- Conducted feasibility studies to assess project viability.
- Collaborated with marketing teams to develop promotional materials.
- Presented design concepts to stakeholders for approval.
- Developed cost estimates and project timelines for clients.
- Maintained strong client relationships through effective communication.
