- Increased sales by 40% through effective marketing strategies.

PROFILE

Accomplished Metal Craft Artisan with a profound specialization in artisan jewelry design and fabrication. Expertise lies in the meticulous crafting of bespoke pieces that blend traditional techniques with contemporary aesthetics. Proficient in utilizing a diverse array of tools and materials to produce high-quality, unique jewelry items sought after in luxury markets.

EXPERIENCE

SENIOR JEWELRY DESIGNER

Elegant Adornments

2016 - Present

- Designed and created exclusive jewelry collections for seasonal launches.
- Collaborated directly with clients to customize pieces according to specifications.
- Utilized 3D modeling software for prototyping and design visualization.
- Managed inventory and supply chain for precious metals and gemstones.
- Organized and participated in trunk shows to showcase new collections.
- Enhanced client relationships, resulting in a 30% increase in repeat business.

METALWORKING INSTRUCTOR

Artisan School of Design

2014 - 2016

- Taught advanced metalworking techniques, focusing on jewelry fabrication.
- Developed curriculum that integrated both theory and hands-on practice.
- Supervised student projects, offering mentorship and technical support.
- Conducted workshops on contemporary jewelry trends and materials.
- Evaluated student progress and provided constructive feedback.
- Facilitated collaborations between students and local artisans.
