## SKILLS

- protective coatings
- quality assurance
- electronics manufacturing
- regulatory compliance
- team leadership
- process improvement

## EDUCATION

**BACHELOR OF SCIENCE IN MATERIALS SCIENCE, UNIVERSITY OF TECHNOLOGY, 2012**

## LANGUAGE

- English
- Spanish
- German

## ACHIEVEMENTS

- Achieved zero defects in major product lines for two consecutive years.
- Received the Innovation Award for developing a new coating process.
- Improved production efficiency by 35% through process enhancements.

# Michael Anderson

## ELECTRONICS METAL FINISHING SUPERVISOR

A highly skilled Metal Craft Finisher with a robust background in the electronics manufacturing sector, specializing in the application of protective coatings and surface treatments that enhance the longevity and performance of electronic components. This professional is well-versed in contemporary manufacturing practices, possessing a keen understanding of both the technical and regulatory aspects of metal finishing.

## EXPERIENCE

### ELECTRONICS METAL FINISHING SUPERVISOR

Tech Metal Solutions

2016 - Present

- Supervised the application of protective coatings on electronic components.
- Ensured compliance with IPC and ISO standards.
- Developed and implemented quality control protocols.
- Conducted root cause analysis for quality deviations.
- Collaborated with R&D to improve product performance.
- Managed a team of technicians, fostering a culture of quality and safety.

### METAL FINISHING TECHNICIAN

ElectroFinish Inc.

2014 - 2016

- Executed surface treatments on electronic components to enhance durability.
- Maintained equipment and performed routine calibrations.
- Monitored process metrics to ensure quality standards were met.
- Assisted in the development of new coating formulas.
- Participated in training sessions on industry best practices.
- Documented finishing processes in compliance with regulatory requirements.
