# MICHAEL ANDERSON

## ORNAMENTAL METALWORK SPECIALIST

Esteemed metal craftsman specializing in bespoke ornamental metalwork, with a career spanning over a decade in enhancing architectural aesthetics through intricate designs. Recognized for the ability to blend traditional craftsmanship with modern techniques, ensuring that each piece is not only visually striking but also structurally sound. Strong advocate for sustainable practices in metalworking, utilizing recycled materials without compromising quality or design.

## PROFESSIONAL EXPERIENCE

### **Heritage Metal Designs**

*Mar 2018 - Present*

Ornamental Metalwork Specialist

- Designed and produced custom railings, gates, and decorative elements for high-end residential projects.
- Collaborated with architects to develop innovative solutions that align with design visions.
- Utilized both manual and power tools to achieve precision in metal shaping and finishing.
- Implemented eco-friendly practices, reducing material waste by 25% through recycling initiatives.
- Maintained a portfolio that showcases completed projects, enhancing client engagement.
- Participated in trade shows, promoting craftsmanship and sustainable practices to a wider audience.

### **Artful Metalworks**

*Dec 2015 - Jan 2018*

Metal Artisan

- Created artistic metal installations for public art projects, enhancing community engagement.
- Executed custom commissions that reflect the personal style and vision of clients.
- Conducted site visits to gather design inspiration and assess project feasibility.
- Utilized advanced finishing techniques to ensure durability and aesthetic appeal of pieces.
- Mentored apprentices in metalworking techniques and design principles.
- Developed a series of workshops focusing on sustainable metalworking practices.

## ACHIEVEMENTS

- Featured in multiple design publications for innovative ornamental designs.
- Recipient of the Sustainability in Art Award in 2021.
- Successfully completed over 100 custom commissions with a 98% client satisfaction rate.
