### WORK EXPERIENCE

#### Senior Metal Fabricator Precision Metal Works

Jan 2023 - Present

- Operated CNC machines to fabricate components with high precision.
- Interpreted complex technical drawings to ensure accurate production.
- Supervised junior fabricators and provided training on best practices.
- Conducted quality inspections of finished products to meet industry standards.
- Implemented lean manufacturing techniques to reduce waste and increase efficiency.
- Collaborated with engineering teams to refine design specifications.

#### Metal Fabricator Metal Dynamics

Jan 2020 - Dec 2022

- Executed metal cutting, bending, and welding operations using various tools.
  - Maintained equipment and performed routine checks to ensure optimal performance.
  - Assisted in inventory management and procurement of materials.
  - Documented production processes and maintained compliance records.
  - Participated in safety audits and risk assessments to enhance workplace safety.
  - Contributed to project planning and timeline development for fabrication tasks.
- 

### EDUCATION

#### Diploma in Metal Fabrication Technology, Technical Institute of Manufacturing

Sep 2019 - Oct 2020
