

MICHAEL ANDERSON

LEAD METAL DESIGNER

PROFILE

Distinguished metal worker specializing in custom metal fabrication and restoration projects. With an extensive background in both artistic and functional metalwork, this professional combines creativity with technical acumen to produce unique metal structures and art pieces. A commitment to sustainability and eco-friendly practices has guided innovative approaches to materials sourcing and waste reduction.

EXPERIENCE

LEAD METAL DESIGNER

Artisan Metal Creations

2016 - Present

- Designed and fabricated custom metal art installations for commercial and residential clients.
- Utilized sustainable materials and techniques to reduce environmental impact.
- Collaborated with clients to ensure designs met aesthetic and functional requirements.
- Supervised a team of artisans, providing training and quality assurance.
- Implemented project timelines and budgets, ensuring client satisfaction.
- Showcased work at several art exhibitions, receiving critical acclaim.

METAL FABRICATOR

Urban Steelworks

2014 - 2016

- Fabricated metal structures for various architectural projects.
- Worked closely with architects to bring innovative designs to life.
- Maintained high standards of craftsmanship on all projects.
- Assisted in the selection and sourcing of materials for projects.
- Conducted final inspections to ensure quality and adherence to project specifications.
- Participated in community workshops to educate about metalworking techniques.
