EDUCATION

BACHELOR OF SCIENCE IN FINANCE, NEW YORK UNIVERSITY, 2016

ACHIEVEMENTS

- Received a recognition award for outstanding contributions to compliance initiatives.
- Improved data reporting accuracy by implementing new validation processes.
- Completed a professional certification in Financial Data Analysis.

PROFILE

Dedicated Metrics Analyst specializing in financial services with over 5 years of experience utilizing statistical analysis to enhance decision-making processes. I have a strong background in regulatory compliance and risk assessment, coupled with a knack for identifying key performance indicators that drive profitability. My technical proficiency in tools like R and Excel allows me to conduct complex analyses and present findings in a clear, actionable format.

EXPERIENCE

METRICS ANALYST

Global Finance Corp

2016 - Present

- Analyzed financial data to identify trends, improving forecasting accuracy by 30%.
- Developed risk assessment models that decreased compliance-related incidents by 15%.
- Collaborated with auditors to streamline reporting processes and enhance data integrity.
- Utilized R for predictive modeling, leading to better investment strategies.
