### SKILLS

- Cybersecurity Architecture
- Threat Detection
- Data Analytics
- Incident Response
- Project Management
- Collaboration

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**BACHELOR OF SCIENCE IN  
CYBERSECURITY, UNIVERSITY OF  
CALIFORNIA, BERKELEY**

### ACHIEVEMENTS

- Received the Meritorious Service Medal for contributions to military cybersecurity.
- Increased threat detection accuracy by 35% through innovative solutions.
- Led a team that developed a new cybersecurity training program adopted by the Army.

### WORK EXPERIENCE

#### CYBERSECURITY SOLUTIONS ARCHITECT

U.S. Army Cyber Center of Excellence

2020 - 2025

- Designed cybersecurity architectures to protect military networks.
- Developed innovative solutions for real-time threat detection.
- Collaborated with developers to integrate secure coding practices.
- Led workshops to promote cybersecurity awareness among staff.
- Evaluated emerging technologies for potential military applications.
- Managed projects focused on enhancing security infrastructures.

#### LEAD CYBERSECURITY ANALYST

Cybersecurity and Infrastructure Security Agency

2015 - 2020

- Conducted vulnerability assessments on critical infrastructure.
- Developed incident response strategies for high-risk scenarios.
- Utilized threat intelligence to inform cybersecurity initiatives.
- Collaborated with government agencies to enhance national cybersecurity.
- Prepared detailed reports on cybersecurity incidents and trends.
- Facilitated training for personnel on cybersecurity best practices.
