# Michael Anderson

## MILLWORK DESIGNER

Innovative millwork carpenter with a focus on modern design trends and urban aesthetics. Recognized for the ability to blend functionality with artistic expression, resulting in unique and highly sought-after installations. Expertise in various materials and finishes, including metal and glass, to create contemporary millwork solutions. Proven track record in project management, overseeing installations from initial concept through to completion while ensuring client vision is realized.

## EXPERIENCE

### MILLWORK DESIGNER

Urban Chic Interiors

2016 - Present

- Designed and executed modern millwork pieces for urban residential spaces, enhancing overall aesthetics.
- Oversaw installation processes, ensuring alignment with contemporary design principles.
- Collaborated with interior designers to develop innovative solutions that met client needs.
- Utilized a variety of materials, including glass and metal, to create striking visual contrasts.
- Managed project timelines and budgets, consistently delivering high-quality results.
- Participated in design exhibitions to showcase unique millwork creations.

### ASSISTANT MILLWORK CARPENTER

Contemporary Woodcrafts

2014 - 2016

- Assisted in the creation of bespoke millwork solutions for high-end residential projects.
- Learned to operate advanced machinery, enhancing production capabilities.
- Participated in client consultations to gather design preferences and specifications.
- Maintained a clean and organized work area, contributing to safety and efficiency.
- Documented project milestones to facilitate communication with stakeholders.
- Contributed to the development of design concepts that pushed the envelope of traditional carpentry.
