

MICHAEL ANDERSON

MIXED MEDIA SCULPTOR

PROFILE

Accomplished Mixed Media Artist with a strong emphasis on environmental themes and sustainable practices in art creation. This artist's work exemplifies a commitment to raising awareness about ecological issues through innovative use of recycled materials and organic forms. With extensive experience in both solo and collaborative projects, this professional has successfully bridged the gap between art and activism, fostering dialogue within communities.

EXPERIENCE

MIXED MEDIA SCULPTOR

EcoArt Collective

2016 - Present
