- English
- Spanish
- French

Skilled Mixed Practice Veterinarian with 4 years of experience in veterinary clinics, dedicated to improving animal health and client satisfaction. I have developed a strong foundation in diagnosing and treating a variety of conditions in both small and large animals. My experience includes both clinical practice and community outreach, where I promote pet health and responsible ownership.

💼 WORK EXPERIENCE

Veterinary Associate   2020-2023

Pet Haven Animal Clinic

- Conducted health evaluations and created treatment plans for diverse animal species.
- Assisted in surgical procedures while ensuring patient safety and comfort.
- Developed client education materials on pet nutrition and wellness.
- Participated in community events to promote pet adoption and care.
- Maintained accurate medical records and followed clinic protocols.
- Collaborated with colleagues to enhance patient care and clinic efficiency.

Veterinary Intern   2019-2020

Farmington Veterinary Hospital

- Assisted veterinarians in diagnosing and treating sick and injured animals.
- Learned to perform routine procedures and manage patient care effectively.
- Engaged in educational outreach to promote responsible pet ownership.
- Observed surgeries and gained hands-on experience in clinical settings.
- Participated in shelter outreach programs to assist homeless animals.
- Supported daily operations of the clinic and ensured cleanliness and organization.

★ ACHIEVEMENTS

- Contributed to a 20% increase in client retention through improved service delivery.
- Organized a successful pet health fair, attracting over 200 attendees.
- Recognized for excellence in client communication by the clinic management.
