SKILLS

- MLOps
- Azure
- Machine Learning
- Agile
- Python
- Git
- Software Development

EDUCATION

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY - UNIVERSITY OF INNOVATIONS

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Successfully deployed ML models that increased processing efficiency by 30%.
- Received recognition for outstanding contributions to team projects.
- Led a project that streamlined deployment processes, enhancing team productivity.

Michael Anderson

MLOPS ENGINEER

Creative MLOps Engineer with over 4 years of hands-on experience in implementing machine learning solutions in dynamic environments. Adept at leveraging various machine learning frameworks and cloud technologies to build scalable and maintainable systems. Strong analytical skills combined with a background in software development allow for effective problem-solving and innovation. Passionate about enhancing model performance through continuous evaluation and iteration.

EXPERIENCE

MLOPS ENGINEER

NextGen Tech

2016 - Present

- Implemented scalable ML solutions using Azure Machine Learning services.
- Developed automated testing frameworks for ML models, ensuring high reliability.
- Collaborated with cross-functional teams to enhance model deployment processes.
- Utilized Git for version control and collaboration on ML projects.
- Monitored model performance and retrained models as necessary for optimal performance.
- Participated in sprint planning and retrospectives to continuously improve team processes.

SOFTWARE DEVELOPER

Code Creators LLC

2014 - 2016

- Contributed to software application development focusing on data-driven features.
- Engaged in code reviews to improve code quality and team collaboration.
- Developed APIs for integration with external services and tools.
- Worked on performance optimization of existing applications to improve user experience.
- Documented technical specifications and processes for future reference.
- Participated in Agile ceremonies to enhance project delivery efficiency.
