SKILLS

- User-Centered Design
- Prototyping
- Figma
- User Testing
- Data Analysis
- Agile Development

LANGUAGES

- English
- Spanish
- French

EDUCATION

BACHELOR OF SCIENCE IN COMPUTER SCIENCE, TECH UNIVERSITY, 2014

ACHIEVEMENTS

- Increased app downloads by 50% through targeted design enhancements.
- Recognized as 'Employee of the Month' for exceptional project leadership.
- Successfully led the redesign of a major application resulting in a 40% improvement in user satisfaction.

PROFILE

Innovative Mobile App Designer specializing in the intersection of technology and user experience. With a background in computer science and design, possesses a unique skill set that combines technical proficiency with an artistic vision. Demonstrated ability to transform complex ideas into engaging and functional mobile applications. Skilled in coordinating with product managers and developers to ensure that design solutions are feasible and align with technical constraints.

EXPERIENCE

LEAD MOBILE APP DESIGNER

Digital Dynamics Corp.

2016 - Present

- Directed the design strategy for flagship mobile applications.
- Implemented user-centered design processes to enhance usability.
- Collaborated with engineering teams to ensure design feasibility.
- Utilized Figma and InVision for prototyping and user testing.
- Facilitated design sprints to rapidly iterate on concepts.
- Created detailed user personas to guide design decisions.

MOBILE APP DESIGNER

App Creators Ltd.

2014 - 2016

- Developed wireframes and prototypes for new mobile applications.
- Conducted user interviews and surveys to gather feedback.
- Worked with marketing to ensure design consistency across platforms.
- Analyzed user metrics to inform design improvements.
- Participated in brainstorming sessions to generate innovative solutions.
- Documented design processes and guidelines for future reference.
