BACHELOR OF SCIENCE IN COMPUTER ENGINEERING FROM NATIONAL UNIVERSITY

ACHIEVEMENTS

- Successfully launched updates that improved app stability, leading to a 20% reduction in user complaints.
- Awarded 'Best Team Player' for exceptional collaboration and performance in project delivery.
- Increased app performance scores by 30% through diligent maintenance efforts.

Proactive Mobile App Maintenance Engineer with over 7 years of experience specializing in mobile application optimization and user experience enhancement. I have a solid foundation in software development principles and a keen eye for detail, which enables me to identify potential issues before they affect users. My role has involved collaborating with cross-functional teams to ensure applications are functioning optimally and meeting user needs.

WORK EXPERIENCE

MOBILE APPLICATION MAINTENANCE ENGINEER

Creative Tech Solutions

2020 - 2025

- Maintained and updated a suite of 20 mobile applications, achieving a 15% boost in user engagement.
- Implemented performance monitoring systems that identified critical issues ahead of time.
- Collaborated with design teams to enhance the user interface and improve user interactions.
- Developed and enforced maintenance protocols that reduced downtime by 40%.
