- Achieved a 95% user satisfaction rate based on post-launch surveys.

#### WORK EXPERIENCE

##### MOBILE DEVELOPER

FinancePro Apps

2020 - 2025

- Developed a mobile banking app that increased user transactions by 45% within the first three months of launch.
- Collaborated with UX/UI designers to enhance app navigation, resulting in a 20% improvement in user retention.
- Implemented security measures to safeguard user data and comply with financial regulations.
- Participated in user feedback sessions to identify and rectify pain points within the app.
- Worked closely with backend teams to optimize database queries, enhancing app responsiveness.
- Created detailed technical documentation for internal use and training purposes.

##### JUNIOR MOBILE DEVELOPER

InvestSmart Technologies

2015 - 2020

- Assisted in the development of a mobile application for investment tracking and analysis.
- Conducted testing and debugging to ensure a smooth user experience.
- Collaborated with senior developers to integrate APIs for real-time market data.
- Maintained code quality and consistency through peer reviews.
- Supported the team in implementing new features based on user feedback.
- Participated in agile ceremonies to enhance project delivery.
