Dedicated Mobile Integration Engineer with over 3 years of experience in the travel and tourism industry. I specialize in creating mobile applications that enhance the travel experience for users by integrating various services including booking, payments, and itineraries. My passion for technology drives me to develop innovative solutions that streamline the travel process.

WORK EXPERIENCE

Junior Mobile Integration Engineer | TravelTech Co.

Jan 2022 – Present

- Assisted in the integration of booking APIs that improved the efficiency of travel reservations by 30%.
