MICHAEL ANDERSON

MOBILE PRODUCT DEVELOPER

Creative Mobile Product Developer with over 5 years of experience in crafting engaging mobile applications for the entertainment industry. Skilled in using the latest technologies to enhance user engagement and develop applications that are both functional and visually appealing. My experience includes collaborating with artists and marketing teams to deliver products that resonate with audiences.

PROFESSIONAL EXPERIENCE

Entertainment Apps LLC   *Mar 2018 - Present*
Mobile Product Developer

- Designed and developed mobile applications that enhanced fan engagement for major entertainment franchises.
- Utilized Unity and C# to create interactive features that increased app usage by 45%.
- Collaborated with artists to ensure the visual integrity of applications, leading to high user satisfaction.
- Conducted market research to identify trends and user preferences, driving feature development.
- Implemented feedback loops with users to continuously improve app functionality and design.
- Managed the entire app lifecycle from concept through delivery, ensuring alignment with brand objectives.

Creative Media Solutions   *Dec 2015 - Jan 2018*
Junior Mobile Developer

- Assisted in the development of interactive mobile applications for various media projects.
- Collaborated with a team of developers and designers to enhance user interfaces, improving user experience.
- Participated in brainstorming sessions to generate innovative ideas for app features.
- Tested applications for functionality and performance, ensuring high standards of quality.
- Contributed to user documentation and support materials for app releases.
- Learned and applied industry-standard practices in mobile development to ongoing projects.

ACHIEVEMENTS

- Successfully launched an app that reached the top 10 in entertainment category on app stores.
- Increased user engagement by 50% through the introduction of gamified elements in applications.
- Recognized for innovative design at the Annual Mobile App Awards in 2020.
