EDUCATION

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY, MASSACHUSETTS INSTITUTE OF TECHNOLOGY, 2015

ACHIEVEMENTS

- Increased SDK adoption by 60% within the first year of launch through targeted outreach.
- Received 'Best Developer' award for innovative solutions that enhanced customer experience.
- Successfully launched a mobile application that achieved over 100,000 downloads in the first month.

As a Mobile SDK Developer with a focus on e-commerce, I bring over 7 years of experience in building scalable mobile solutions that enhance customer shopping experiences. My career has been defined by a strong emphasis on creating APIs that streamline the integration of payment gateways and product catalogs into mobile applications.

WORK EXPERIENCE

LEAD MOBILE SDK DEVELOPER

Shopify Inc.

2020 - 2025

- Developed an SDK for seamless integration of payment processing solutions, increasing transaction success rates by 35%.
- Collaborated with product teams to create user-friendly APIs for third-party developers.
- Conducted market research to identify trends and enhance SDK features accordingly.
- Implemented performance monitoring tools to track SDK usage and optimize user experience.
- Provided comprehensive training for developers on SDK integration best practices.
- Documented SDK enhancements and user guides to facilitate ease of use for clients.

MOBILE APPLICATION DEVELOPER

Ecom Solutions

2015 - 2020

- Designed and developed mobile applications for e-commerce, focusing on user experience.
- Integrated analytics tools to monitor user engagement and optimize application performance.
- Worked with graphic designers to create visually appealing interfaces.
- Collaborated with marketing teams to implement promotional features that increased sales by 20%.
- Participated in code reviews to ensure code quality and adherence to best practices.
- Created user documentation and tutorials to assist clients in using the mobile applications.
